Thank You for your
hardwork and dedication
to our SACS Community!

Message from the Principal...

Dear Parents/Guardians:

I wish to take this opportunity to once again stress the importance of making sure that you meet the deadline for your child's/children's returning registration.

We are currently placing students on a waiting list from the outside enrollment until we finalize our returning student registration.

With that in mind, effective March 1, 2010 if your child/children are not registered by the deadline, we will have no choice but to replace them with students from our waiting list.

We understand the financial hardships our families are going through. However, we ask your cooperation in early registration so we can better prepare ourselves for the coming year.

Thank you for your continued support and understanding.

God Bless,
Sister Doris SanAgustin, RSM
